

The 1773 Chesterfield – Antique Red

Hand-Built British Upholstery Since 1973

The 1773 Chesterfield embodies the original British sofa silhouette, refined through Winchester’s hand-built tradition. Deep buttoning, sweeping rolled arms and full-grain leather honour the form that defined an era, while the structured seat delivers a poised, confident sit. A faithful, modern interpretation of the Chesterfield as it first appeared in 18th-century Britain, crafted with the same integrity that has guided Winchester since its earliest workshop roots.

HERITAGE Crafted using traditional methods passed down through generations, the 1773 Chesterfield reflects over fifty years of documented Winchester upholstery heritage. Each piece is hand-built on a hardwood frame and individually upholstered using time-honoured techniques shown in our 1994 workshop archive.
