The 1773 Chesterfield is a refined expression of British upholstery tradition, shaped entirely by hand using time-honoured techniques. Each piece is crafted by skilled artisans who form every pleat and contour with precision, ensuring true maker-led quality.

Built on a hand-joined hardwood frame and upholstered in premium materials, the 1773 offers lasting comfort, structural integrity and a character that deepens over time.

With its elevated back, sculptural scroll arms and deep hand-buttoned upholstery, it brings quiet grandeur and authentic 18th-century heritage to any interior.
